- V) 2nd service update-Twila and Justin
 - a. Launch date was in September, Monthly service through March. April 1st will be the 1st month that it will every week. Goals: 75 people for September, 50 people for October, then 10 more each month after that. 69 people were in service, just short the goal. 8 totally unconnected to the church. 3 were visiting the area and found our church online, celebrations go to Cassie for keeping the website updated. Lily, did a wonderful launch day, she told Justin that she was willing to continue leading the music for the 2nd service. The format was great-coffee and fellowship. Justin had coffee with one of the unconnected. Welcome packets were handed out, then Justin sent follow up emails. We need to remember to keep inviting, bring people with, sit them new people.
- VI) SPRC-Scott
 - a. Josh will be coming onboard on October 15. They are getting married in 9 days. Meet and greets to be set up as they worked well when Justin came. Kerri will host at home, Kathi during Threads, Sandy, Brock, Justin, Tom

Hosts should try to encourage those in your 'circle' to come to a meet and greet. Kerri-week of 10/23. A channel for Meet and Greets will be put on Slack.
 - c. Have a worship leader-Lily, she did a great transition between segments.
- VII) Who Moved My Pulpit?-Twila
 - a. Discussed these chapters. Highlights: Keep looking for the major changes, don't stop looking. We need to keep evaluating what we are doing, as including the power of over communicating, we are still to work hard at this. We need to figure out how to over communicate until we are sick of hearing about something. Dealing with success and complacency. Keeping everything urgent. We need to be motivated to keep the momentum going.
- VIII) Oct 21 DS-Twila
 - a. Meeting with District Superintendent Susan Nienauber to meet with us to hear what has been happening in our church. The meeting will be at 2:00 on 10/21/17 for Church Council. Be there or be square (or round or rectangle or triangle). She is looking for information, to hear about what we are doing, she will give feedback about the conference. We will probably share about our formal and informal goals. We will have our October meeting on 10/19/17.
 - b. November meeting needs to be changed: NEW MEETING DATE: November 20 at 6:30
- IX) Report Review-only the financial report was sent. TCC money, is it being put in a special fund? This money needs to be put into a dedicated fund. We need to fix the way the wording is stated, the way it is written sends mixed messages with having the Stewardship and Capital Campaigns coming. Twila will ask Jon to

send the report to Cassie after it gets edited to be put in the email blasts. Fair booth money has not been reported on as of this meeting. We pledged some money to Reach, Renew, and Rejoice. It was brought up to have council carbon copied with the detailed report and Jon will upload it to Slack.
